

GRADE 2 NEWSLETTER

~ Term 3 2015 ~

Dear Parents/Guardians,

Welcome to Term 3! We hope you and your child had a wonderful break and enjoyed some quality time together. Hopefully your child has had time to rest for a busy and productive term ahead.

Homework

Homework will start next week (week two) with distribution on Monday & homework being completed and returned on Friday. The homework is designed to be a quick task completed each night with spelling words practised daily. If you are experiencing difficulties with your child completing homework please contact your child's teacher. Please note that this term, some students will be receiving 7 spelling words and an extra Maths Challenge question to complete.

Reading

All students should be reading to an adult at home on a daily basis. The book they read should be one that they have borrowed from the classroom take home books and should be recorded in your child's diary.

It's Not OK to Be Away

If your child is going to be absent from school, please ring the school in the morning to inform us and on your child's return to school please provide a written explanation of the absence to the classroom teacher.

Term 3 Inquiry Unit

During Term 3, the Grade 2 students will be learning about the history of our local area, Wyndham. To support this learning, we will be going on an excursion to 'The Mansion at Werribee Park' on Wednesday the 5th of August. The permission form for this note will go home early next week. If you are interested in coming along to the excursion as a parent helper, please speak your child's teacher (you will need a current Working with Children Check).

We will also be creating our own models of historical buildings, so if you have any small empty boxes (for example: cereal boxes) that you no longer need, please send them along to school with your child.

Term 3 Learning Areas

This Term the students in Grade 2 will be covering the following areas in their learning:

Maths <ul style="list-style-type: none"> - Multiplication - Division - Place Value - Length - Area - 3D shape - Chance 	Reading <ul style="list-style-type: none"> - Clarifying - Making connections - Visualising - Making Inferences Writing <ul style="list-style-type: none"> - Narrative - Poetry
--	--

Regards,

The Grade 2 Team 😊
