

# GRADE 2: Tuesday 16<sup>th</sup> February

Notes for today:

READING	WRITING	MATHS	INQUIRY/OTHER
<p><b>Task</b></p> <p><b>Focus:</b> Visualising</p> <p>Visualising is creating a picture in your mind, based on what you read (or hear).</p> <p><b>Activity 1:</b> Listen to one of the clips below. As you are listening, think about what you might see, based on what you are hearing. Draw a picture of what you can see in your head. <a href="https://tinyurl.com/kwb3var2">https://tinyurl.com/kwb3var2</a>  <a href="https://tinyurl.com/23flvsgk">https://tinyurl.com/23flvsgk</a></p> <p><b>Activity 2:</b> Independently read for at least 20 minutes (can be online or a book). (Login and password details for Sunshine Online and Reading Eggs can now be found in COMPASS under the reports tab)</p>	<p><b>Task</b></p> <p><b>Focus:</b> Gathering Ideas</p> <p>Collect ideas for your writer's notebook.</p> <p>For example:</p> <ul style="list-style-type: none"> <li>- Cut out interesting pictures/ words from magazines or catalogues</li> <li>- Pictures of you on holiday</li> <li>- Pictures of your family</li> <li>- Old movie tickets</li> <li>- Brochures for places you've visited</li> <li>- Pictures of your pets</li> <li>- A leaf from your garden</li> </ul> <p>These will be glued in your Writer's Notebook when we are back at school, so ask a parent if you can bring them first! Keep them safe in a zip lock bag.</p>	<p><b>Task</b></p> <p><b>Focus:</b> 1 more, 1 less, 10 more, 10 less</p> <p>Use the number chart below to help you.</p> <p>Roll a dice to make a 2-digit number. What is 1 more than that number? What is 1 less than that number? What is 10 more than that number? What is 10 less than that number?</p> <p>For example, I rolled the number 34. 34, 1 more is 35 34, 1 less is 33 34, 10 more is 44 34, 10 less is 24</p> <p>Repeat at least 2 more times.</p>	<p><b>Task</b></p> <p>Focus: Taking turns</p> <p>Play "Paper, Scissors, Rock" with someone in your family. Play it 20 times. Keep a tally of who wins each time.</p> <p>Decide on a reward for the winner (e.g. gets to choose the movie to watch, gets lunch made for them). Or decide on a task for the person with the least points (e.g. clean the kitchen, make lunch).</p> <p>A tally looks like this...</p> <p></p> <p>(Each line is 1 point. When you get 5 points, put the 5th line through the other four to make it easier to count!)</p>
<b>Too hard?</b>	<b>Too hard?</b>	<b>Too hard?</b>	<b>Too hard?</b>
		<p>Use numbers to 20. Focus on 1 more, 1 less.</p>	
<b>Too easy?</b>	<b>Too easy?</b>	<b>Too easy?</b>	<b>Too easy?</b>
<p>Label your picture.</p>		<p>Make a hundreds number (you could use dice or playing cards). Find 1 more/1 less, 10 more/10 less, 100 more/100 less.</p>	
<b>Don't have a computer?</b>	<b>Don't have a printer?</b>	<b>Don't have dice?</b>	<b>Don't have _____?</b>
<p>Sit outside, close your eyes and listen. After a short amount of time, draw what you visualised while your eyes were closed, based on what you could hear.</p>	<p>Just use a piece of paper and draw pictures of your pets, family, favourite holiday place or characters you might use in a story. We will cut and paste them in when back at school.</p>	<ul style="list-style-type: none"> <li>- Use playing cards</li> <li>- Use the Google Dice Roller</li> <li>- <a href="http://www.google.com/search?q=dice+roller">www.google.com/search?q=dice+roller</a></li> <li>- Ask someone to give you a number</li> </ul>	

# 100 NUMBER CHART

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100
