READING

Task

This week we will be learning about fiction and non-fiction texts.

Fictional texts are made up stories that use illustrations and characters.

Non-fiction texts tell us information about real things. They usually use photos and provide facts.

Ask your child to pick a fictional story on Reading Eggs. Then ask them to tell you how they know it's fiction. For example: the front cover is an illustration, not real images/photos.

Read the story.

WRITING

Task

This week we will be practising different parts of writing in preparation for your children to return back to school. We will focus on ONE skill per day.

Please see the attached lined paper to practise your writing on.

FOCUS: Putting it all together.

Ask your child to think about one thing they are super excited about when going back to school.

Talk to your child about what they would like to write. Get them to verbalise their sentence to you BEFORE they write and count the words. Think about whether their sentence makes sense.

Make sure to remind them that they will be using all the skills they have practised this week, capital letters, sounds in words, full stops and finger spaces.

Give your child the lined paper attached to write their sentence.

Get them to check over their sentence using the following checklist to make sure they have included each skill.

MATHS

Task

Watch this video about how to recognise and spell number names.

Today we will be using the cards we have made to play memory.

Lay each of the cards that you have made in the previous lessons down on the floor (face down). Turn over cards to match the correct numeral and word as a game of memory.
