READING

Task

This week we will be learning about fiction and non-fiction texts.

Fictional texts are made up stories that use illustrations and characters.

Non-fiction texts tell us information about real things. They usually use photos and provide facts.

Sort through a pile of books with your child at home. Discuss which books are fiction and non-fiction.

Discuss with your child, why they have made each choice for fiction or non-fiction.

WRITING

Task

This week we will be practising different parts of writing in preparation for your children to return back to school. We will focus on ONE skill per day.

Please see the attached lined paper to practise your writing on.

FOCUS: Capital Letters.

Discuss with your child that we use capital letters at the beginning of a sentence and when we write names. All of the rest of the letters in words should be lowercase letters.

You can find examples of upper and lowercase letters in the classroom materials folder on MS Teams.

Draw the people and animals that live in your house. Write the name of each person or pet, making sure to put a capital letter at the beginning and lowercase letters for the others.

MATHS

Task

Watch this video about how to recognise and spell number names.

https://www.youtube.com/watch?v=SzfFzJGwwZQ&ab_channel=HarryKindergartenMusic

Over the week of lessons, we will be making and using cards to play different games.

Write the numbers 0-20 on separate pieces of paper/cards.
