PURPOSE

To explain to our school community the Department's and Bellbridge Primary School's policy requirements and expectations relating to students using mobile phones [and other personal mobile devices] during school hours.

SCOPE

This policy applies to:

1. All students at Bellbridge Primary School and,
2. Students' personal mobile phones and other personal mobile devices brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches.

POLICY

Bellbridge Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Bellbridge Primary School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored at the front office during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile phone use

In accordance with the Department's Mobile Phones — Student Use Policy issued by the Minister for Education, personal mobile phones must not be used at Bellbridge Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at Bellbridge Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Bellbridge Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Claims for Property Damage and Medical Expenses policy.

Where students bring a mobile phone to school, Bellbridge Primary School will provide secure storage at the school office. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Bellbridge Primary School students are required to store their phones at the school office, where these are stored securely for the duration of the school day.

Enforcement

Students who use their personal mobile phones inappropriately at Bellbridge Primary School may be issued with consequences consistent with our school's existing student management policies.

At Bellbridge Primary School, inappropriate use of mobile phones is **any use during school hours**, unless an exception has been granted, and particularly use of a mobile phone:
