

GRADE 3: Monday 7th June to Thursday 10th June

PHYSICAL EDUCATION

Task

Tennis

Watch this video to learn how to play Tennis
<https://clickv.ie/w/p00o>.

Equipment:

A ball, a net and two racquets.

Instructions:

Hit the ball over the net and try to make it hit the ground of your opponent's area two times without them being able to hit it back, or force them to hit it out of the boundary.

- Level 1 -

Work with your opponent to hit it over the net as many times as you can. A Rally!

- Level 2 -

Score points against your opponent.

- Level 3 -

Don't let the ball hit the ground.

- Level 4 -

Make up your own rules.

Winner:

The person who scores the most points.

If you don't have the equipment for this version, try Paper Plate Tennis -

PERFORMING ARTS

Task

The Hand Jive

The hand jive was a popular 1950's dance that involved two slaps of the thighs, two claps, two arm crosses to the left and right, two fist bumps and two shakes (over the left and right shoulder).

Create your own hand jive and teach it to another person. It can involve thigh slaps, body shakes, criss-crossing arms. Use your imagination. Remember it must be in a loop that is constantly repeated!

ART

Task

Small object doodles

Choose some small everyday items from around your house and turn them into a drawing. Think about stationery, food and household objects. What can you turn them into?

STEM

Task

We are Horticulturalists

Try to apply your learning from our 'Pots of Wonder' unit – impress your family! With parent permission, tend to the plants in your garden. Can you identify the different plants? Do any of your plants match the ones we grew as part of the Pots of Wonder unit? Check out the link to Discovery Garden for plants we grew here:
