

# GRADE 6: Monday 7th June to Thursday 10<sup>th</sup> June

## PHYSICAL EDUCATION

### Task

#### Target Sports

#### Game: Finska

#### Aim:

Try to throw the Finska block (or chosen item) at labelled blocks (1-12) to be the first player to get to 50!

Watch Miss Morgan's video to help you play:

<https://clickv.ie/w/D2On> OR read the rules below.

#### Setting up:

1. Set up 12 numbered pins (or plastic bottles or teddies) in a tight cluster.

2. Mark out a spot 3 to 4 metres away to be the throwing position.

#### General play:

1. From the throwing position, teams take turns to throw (underarm) a large throwing pin towards the numbered pins. Where there is more than one player in each team, the team must share its throws equally between all team members to a specific order.
2. After each throw, the score is noted and added to the team's total score. Then the numbered pins are placed back upright where they lie (using the base of the pin to mark the spot). The pins will spread as the game continues.

#### Scoring:

1. A *multiple pin* score occurs when more than one pin has been fully knocked down. The team scores the number of pins fully knocked down, e.g. knocking down the 7, 11 and 12 scores 3 points.
2. A *single pin* score occurs when only one pin has been fully knocked down. The team scores the number marked on that pin e.g. knocking down only the 7, scores 7.
3. Pins must lie fully flat to be counted as knocked down. A pin resting or leaning on another pin is not down.

#### The "Twists":

1. A team that scores zero on three consecutive turns immediately loses the match (optional rule!).
2. If a team's score exceeds 50, that team's score drops back to 25.

## PERFORMING ARTS

### Task

#### Everyone Can Play

If you have an instrument at home, we are going to use it and play a song at home.

Choose your instrument:

- Guitar
- Keyboard
- Ukulele
- Vocals

Choose your song:

- Sunflower – Post Malone

<https://youtu.be/nghcjQ6Eedk>

- Perfect – Ed Sheeran

<https://youtu.be/qGCyXoLnpko> (guitar)

<https://youtu.be/krwaRNkTH1s> (ukulele)

Keyboard follow one of the videos and remember the letter of the chord is the bass note (e.g. C chord you would play C).

#### NO NETBOOK?

#### Listen and Respond Task

Choose your favourite song. Listen and try to identify all the instruments and sounds that you can hear (e.g. vocals, backup vocals, guitar and drums). Try to learn the lyrics and sing along!

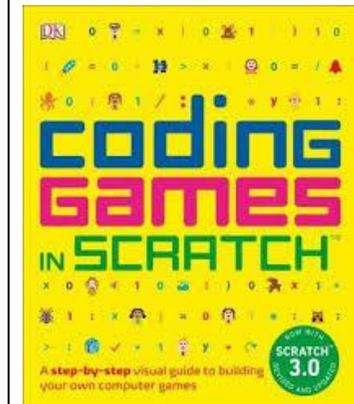

## STEM

### Task

#### SCRATCH Game Makers

Put your coding skills to good use and create a game using Scratch. Link to Help card here: <https://resources.scratch.mit.edu/www/cards/en/chase-cards.pdf>

Save your work to your netbook and we can try out each other's games when we return to school. Bee tokens for top coding!

Extension: Try to add scoring and different levels to your game.

#### NO NETBOOK?

sketch out a concept for a game you could create using CODE.

OR

Create some 'unplugged code' to find hidden treasure (lolly?) for a family member.
